

Blocking Die Table

1		The attacking player is knocked down.
2		Both players are knocked down, unless one or both of the players involved has the Block skill. If one player has the Block skill then he is not knocked over by this result, though his opponent will still go down. If both the players have the Block skill then neither player is knocked over.
3-4		The defending player is pushed back one square by the blocking player. The attacking player may follow up the defender.
5		Unless the defender has the Dodge skill he is pushed back and then knocked over. If he does have the Dodge skill then he is only pushed back. The attacking player may follow up the defender.
6		The defending player is pushed back and then knocked down in the square they are moved to. The attacking player may follow up the defender.
